## ABOUT THE ANNUAL MEETING

### ***What is the purpose of the meeting?***

The principal purposes of the Annual Meeting are to ratify the appointment of our outside auditors and elect two directors to the Company's Board of Directors. In addition, our management will report on our performance during 2022, discuss challenges ahead and respond to questions from stockholders.

### ***Why did I receive a notice in the mail regarding the internet availability of proxy materials instead of a paper copy of proxy materials?***

The rules of the Securities and Exchange Commission (the "SEC") permit us to furnish proxy materials, including this proxy statement and the Annual Report, to our stockholders by providing access to such documents on the internet instead of mailing printed copies. Stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials (the "Notice and Access Card") provides instructions on how to access and review on the internet all of the proxy materials. The Notice and Access Card also instructs you as to how to authorize via the internet or telephone your proxy to vote your shares according to your voting instructions. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials described in the Notice and Access Card.

### ***Who is entitled to vote?***

Stockholders of record at the close of business on the record date, September 15, 2023, are entitled to vote in person or by proxy at the Annual Meeting. In general, stockholders are entitled to one vote per share on each matter voted upon. In an election for directors, however, stockholders are entitled to vote the number of shares they own for as many director candidates as there are directors to be elected. The Board of Directors has determined that the Board of Directors should include two Class I directorships. Accordingly, since two directors are to be elected at this Annual Meeting, in electing directors, each share will entitle the stockholder to two votes, one per director. Stockholders may not cumulate their votes. As of September 15, 2023, there were 14,651,883 common shares outstanding.

### ***What constitutes a quorum?***

The presence at the Annual Meeting, in person or by proxy, of the holders of 33-1/3% of the shares outstanding will constitute a quorum, permitting us to conduct the business of the meeting.

### ***What is the difference between a shareholder of record and a beneficial owner?***

If your shares are registered directly in your name with our transfer agent, V Stock Transfer, LLC, then you are a "shareholder of record." This Notice of Meeting and proxy statement has been provided directly to you by LM Funding America, Inc. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by telephone or internet.

If your shares are held for you in a brokerage, bank or other institutional account (that is, held in "street name"), then you are not a shareholder of record. Rather, the institution is the shareholder of record and you are the "beneficial owner" of the shares. The accompanying Notice of Meeting and this proxy statement have been forwarded to you by that institution. If you complete and properly sign the accompanying proxy card and return it in the enclosed envelope, or follow the instructions on the proxy card for voting by telephone or internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the Annual Meeting, then you must obtain a proxy, executed in your favor, from the holder of record (the institution).

### ***How do I vote?***

**By Ballot at the Meeting.** If you are a shareholder of record and attend the Annual Meeting, you may vote in person by ballot at the Annual Meeting. To vote by ballot, you must register and confirm your shareholder status at the meeting. If the shareholder of record is a corporation, partnership, limited liability company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity. If your shares are held for you in a brokerage, bank or other institutional account (that is, in "street name"), you must obtain a proxy, executed in your favor, from that institution (the holder of record) to vote your beneficially-owned shares by ballot at the Annual Meeting. In the election of directors (Proposal No. 1), each share held by a shareholder of record will be entitled to two votes, one for each director to be elected.

**By Proxy.** If you complete, sign and return the accompanying proxy card or follow the instructions on the proxy card for voting by telephone or internet, then your shares will be voted as you direct. In the election of directors (Proposal No. 1), your options with respect to each director are to direct a vote “FOR”, “WITHHOLD ALL”, or “FOR ALL EXCEPT”.

If you are a shareholder of record, then you may opt to deliver your completed proxy card in person at the Annual Meeting.

***Can I vote by telephone or internet?***

Yes. If you follow the instructions on the proxy card for voting by telephone or internet, your shares will be voted as you direct.

***Can I vote my shares by filling out and returning the Notice and Access Card?***

No. The Notice and Access Card identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and Access Card and returning it. If you would like a paper proxy card, you should follow the instructions in the Notice and Access Card. The paper proxy card you receive will also provide instructions as to how to authorize via the internet or telephone your proxy to vote your shares according to your voting instructions. Alternatively, you can mark the paper proxy card with how you would like your shares voted, sign and date the proxy card, and return it in the envelope provided.

***How Abstentions and Broker Non-Votes Are Treated***

Abstentions will be counted as shares that are present for purposes of determining a quorum. For the election of directors, abstentions are excluded entirely from the vote and do not have any effect on the outcome. Broker non-votes occur when a broker or other nominee holding shares for a beneficial owner does not have discretionary voting power on a matter and has not received instructions from the beneficial owner. Broker non-votes are included in the determination of the number of shares represented at the Annual Meeting for purposes of determining whether a quorum is present. If you do not provide your broker or other nominee with instructions on how to vote your “street name” shares, your broker or nominee will not be permitted to vote them on nonroutine matters such as Proposal No. 1. Shares subject to a broker non-vote will not be considered entitled to vote with respect to Proposal No. 1 and will not affect the outcome of Proposal No. 1. Broker non-votes and abstentions will have no effect on the voting results for Proposal 3.

***What does it mean if I receive more than one proxy card?***

You will receive separate proxy cards when you own shares in different ways. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust or in one or more brokerage accounts. You should complete, sign and return each proxy card you receive or follow the telephone or internet instructions on each card. The instructions on each proxy card may differ. Be sure to follow the instructions on each card.

***Can I change my vote or instruction?***

Yes. You may follow the instructions on the proxy card to change your votes or instructions any time before midnight the day before the meeting. In addition, if you are a shareholder of record, you may revoke your proxy any time before your shares are voted by filing with the secretary of the Company a written notice of revocation or submitting a duly executed proxy bearing a later date. If you file a notice of revocation, you may then vote (or abstain from voting) your shares in person at the Annual Meeting. If you submit a later dated proxy, then your shares will be voted in accordance with that later dated proxy. No such notice of revocation or later dated proxy, however, will be effective unless received by us at or before the Annual Meeting and before your shares have been voted. Unless the proxy is revoked, the shares represented thereby will be voted at the Annual Meeting or any adjournment thereof as indicated on the proxy card. Sending in a proxy does not affect your right to vote in person if you attend the meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

***If I submit a proxy card, how will my shares be voted?***

Your shares will be voted as you instruct on the proxy card.

***What happens if I submit a proxy card and do not give specific voting instructions?***

If you are a shareholder of record and sign and return the proxy card without indicating your instructions, your shares will be voted in accordance with the recommendations of the Board of Directors. With respect to any other matter

that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, at their own discretion. As of the date this proxy statement went to print, we did not know of any other matters to be raised at the Annual Meeting.

**What are the Board of Directors' recommendations?**

The Board of Directors recommends votes:

- *FOR election of the following nominees for director positions:*
  - Bruce M. Rodgers*
  - Carollinn Gould*
- *FOR the proposal to ratify the appointment of MaloneBailey, LLP as the Company's independent auditor to audit the Company's 2023 financial statements;*
- *FOR the proposal to approve an amendment (in the event it is deemed by the Company's Board of Directors to be advisable) to the Company's Certificate of Incorporation, as amended, in the form attached to the proxy statement as Appendix A, to effect a reverse stock split of our issued and outstanding shares of common stock at an exchange ratio ranging from one-for-two (1:2) to one-for-ten (1:10), with the exact ratio to be determined by our Board of Directors; and*
- *FOR the authority to transact such other business as may properly come before the stockholders at the Annual Meeting.*

**What vote is required to approve each item?**

The vote required to approve each matter to be voted on at the Annual Meeting is described below. We do not anticipate other matters coming to a vote at the Annual Meeting. Should any other matter be brought to a vote, the matter will be approved by the affirmative vote of the majority of the outstanding shares present in person or by proxy at the Annual Meeting and entitled to vote on the subject matter at a meeting at which a quorum is present unless a greater number of affirmative votes is required for approval of that matter under our Certificate of Incorporation, bylaws, or the Delaware General Corporation Law.

Under the Delaware General Corporation Law, an abstaining vote is considered present and entitled to vote and, therefore, is included for purposes of determining whether a quorum is present at the Annual Meeting. Pursuant to our bylaws, abstentions are not considered to be "votes cast" for the election of directors in Proposal No. 1 and will not affect the outcome of the election of directors. Abstentions are considered both present and "entitled to vote" on a matter. Accordingly, an abstention counts as a vote "against" any proposal where the voting standard is "a majority of the shares present and entitled to vote" or "a majority of the outstanding shares."

A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Under the Delaware General Corporation Law, a broker "non-vote" is not deemed to be a "vote cast" and, therefore, will not affect the outcome of the election of directors. While a broker "non-vote" is considered present for purposes of determining whether a quorum is present at the Annual Meeting, it is not considered "entitled to vote" and, therefore, not included in the tabulation of the voting results on matters requiring approval of the holders of a majority of the shares present in person or represented by proxy and entitled to vote. When the voting standard is approval of "a majority of the outstanding shares," broker non-votes have the same effect as a vote "against" the proposal.

**The required vote for each of the proposals expected to be acted upon at the Annual Meeting is summarized below:**

**Proposal No. 1 — Election of directors.** Directors are elected by a plurality, with the two nominees obtaining the most votes being elected. Because there is no minimum vote required, abstentions and broker non-votes will be entirely excluded from the vote and will have no effect on its outcome. Under the plurality vote standard, any shares that are not voted, whether by abstention, broker non-votes or otherwise, will not affect the election of directors.

**Proposal No. 2 — Ratification of independent registered public accounting firm.** This proposal must be approved by the affirmative vote of the majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote, assuming a quorum is present. Abstentions count as a vote "against" the proposal and broker non-votes will be entirely excluded from the vote and will have no effect on its outcome.

**Proposal No. 3** — Approval of an amendment (in the event it is deemed by the Company's Board of Directors to be advisable) to the Company's Certificate of Incorporation, as amended, in the form attached to the proxy statement as Appendix A, to effect a reverse stock split of our issued and outstanding shares of common stock at an exchange ratio ranging from one-for-two (1:2) to one-for-ten (1:10), with the exact ratio to be determined by our Board of Directors. This proposal must be approved by the affirmative vote of a majority of the shares of our common stock cast on this matter. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

**How will votes be counted?**

All votes will be tabulated by the secretary of the Company. We have engaged Broadridge Financial Solutions, Inc. to collect and tabulate proxy instructions.

**Who is paying for the preparation and solicitation of proxies and how will solicitations be made?**

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by mail, telephone, facsimile or electronic transmission. We have also engaged Alliance Advisors, LLC to assist in the solicitation of proxies. Fees for this service are estimated to be approximately \$10,500. We have requested brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to beneficial owners and have agreed to reimburse those institutions for their out-of-pocket expenses.

**PROPOSAL 1**

**ELECTION OF DIRECTORS**

Two directors are to be elected at the Annual Meeting. In accordance with the Company's Certificate of Incorporation, the Board of Directors is divided into three classes. Class I and Class II each consists of two directors, and Class III consists of three directors. All directors within a class have the same three-year terms of office. The class terms expire at successive annual meetings so that each year a class of directors is elected. The current terms of director classes are scheduled to expire at the annual meeting of stockholders in 2023 (Class I directors), 2024 (Class II directors) and 2025 (Class III directors). Accordingly, the Class I directors will be elected at this Annual Meeting. Each of the Class I directors elected at this Annual Meeting will be elected to serve a three-year term.

With the recommendation of the nominating and governance committee, the Board of Directors has nominated the following persons to stand for election as Class I directors at this Annual Meeting of Stockholders, with terms expiring at the third annual meeting of stockholders following their election:

*Mr. Bruce M. Rodgers*  
*Ms. Carollinn Gould*

Each of the nominees for election as a director has consented to serve if elected. If, as a result of circumstances not now known or foreseen, one or more of the nominees should be unavailable or unwilling to serve as a director, proxies may be voted for the election of such other persons as the Board of Directors may select. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy "FOR" the election of Mr. Bruce M. Rodgers and Ms. Carollinn Gould as Class I directors of LM Funding America, Inc. The nominees receiving the two highest "FOR" vote totals will be elected as directors.

In the election of directors, the two highest recipients of "FOR" votes will be elected. A properly executed proxy card marked "WITHHOLD ALL" or "FOR ALL EXCEPT" with respect to the election of one or more director nominees will not be voted with respect to the director or directors indicated, even though it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting.

**RECOMMENDATION OF THE BOARD OF DIRECTORS**

His knowledge of other businesses and industries are useful in determining management and director compensation.

**Arrangements as to Selection and Nomination of Directors**

We are aware of no arrangements as to the selection and nomination of directors.

**Independent Directors**

Based upon recommendations of our nominating and governance committee, the Board of Directors has determined that each of Messrs. Graham, McCree, Mills, Zhang, and Silcox are "independent directors" meeting the independence tests set forth in the rules of the NASDAQ Stock Market and Rule 10A-3(b)(i) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including having no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company).

**Board Diversity**

In August 2021, the SEC approved a Nasdaq proposal to adopt new listing rules related to board diversity and disclosure. The new Nasdaq listing rules require all Nasdaq listed companies to disclose consistent and transparent diversity statistics regarding their board of directors. The rules also require most Nasdaq listed companies to have, or explain why they do not have, at least two diverse directors, including one who self-identifies as female and one who self-identifies as either an under-represented minority or LGBTQ+. As seen in the Board Diversity Matrix below, the Company would be in compliance with Nasdaq's diversity requirement.

The composition of our Board of Directors reflects diversity of gender, race and ethnicity. **DIRECTOR COMPENSATION**

The compensation of our non-employee directors is determined by our board of directors, which solicits a recommendation from the Compensation Committee. Directors who are employees of the Company do not receive any additional compensation for their service as directors.

On November 18, 2022, our board of directors adopted the LM Funding America, Inc. Non-Employee Director Compensation Program (the “Director Program”). Pursuant to the Director Program, each non-employee director of the Company will receive an annual cash retainer of \$66,000 (or \$99,000 for audit committee members) payable in arrears in equal quarterly payments, pro-rated for partial years. Non-employee directors will also receive an annual stock option award to purchase a number of shares equal to \$66,000 (or \$99,000 for audit committee members) divided by the option exercise price (which will be equal to the fair market value of the Company’s common stock on the date of grant), which annual awards will vest one-half on the 180th day after the grant date and one-half on the first anniversary of the grant date. The annual option award will be granted on the day of the Company’s annual stockholder meeting each year. Upon initial election or appointment to our board of directors (or on such later date as is determined by the Board of Directors), non-employee directors will also automatically receive stock options to purchase shares under the Company’s equity incentive plan equal to \$25,000 divided by the exercise price of the option, with such exercise price being equal to the grant date fair value of the Company’s common stock.

### Employment Agreements

Certain executives' compensation and other arrangements are set forth in employment agreements. These employment agreements are described below.

#### Bruce M. Rodgers.

In October 2021, Mr. Rodgers' entered into an amended and restated employment agreement with the Company (the "Restated Rodgers Agreement") which provides for an annual base salary of \$750,000. The Restated Rodgers Agreement provided for a grant of 48,662 shares of the Company's common stock that were paid in February 2022, with an amount of shares equal to the taxes payable by Mr. Rodgers with respect to the grant having been withheld to satisfy such taxes. The Restated Rodgers Agreement originally provided for certain bonuses upon a change of control of the Company (as defined in the Restated Rodgers Agreement), but as stated below, such change-of-control provisions were eliminated in November 2022. Pursuant to the Restated Rodgers Agreement, Mr. Rodgers was also originally entitled to receive his applicable base salary for a period of 36 months after termination if such termination were "without cause" or if he terminated his own employment for a "good reason event," as those terms are defined in the Restated Rodgers Agreement, in addition to any accrued bonus as of the termination date and the accelerated vesting of any unvested options. However, such severance provisions were eliminated and replaced in November 2022, as described below. The Restated Rodgers Agreement also contains certain non-competition covenants and confidentiality provisions.

On November 16, 2022, the Restated Rodgers Agreement was amended and modified (the "Rodgers Amendment") by deleting provisions in the Restated Rodgers Agreement that granted Mr. Rodgers certain bonuses upon a change of control of the Company. Further, the Rodgers Amendment modifies the severance provisions of the Restated Rodgers Agreement to provide that, upon the termination of Mr. Rodgers by the Company without cause (or upon termination by him of his own employment upon a "good reason event," as defined in the Restated Rodgers Agreement), he will be entitled to receive, in addition to any accrued salary and bonus, the sum of two years of his salary plus the average bonus paid for the preceding three years, which sum will be paid over a period of two years, as well as reimbursements for premium payments paid or payable by Mr. Rodgers for continuing healthcare coverage for up to 24 months following his termination.

#### Richard Russell.

In October 2021, Mr. Russell entered into an amended and restated employment agreement with the Company (the "Restated Russell Agreement") which provides for an annual base salary of \$500,000. The Restated Russell Agreement provided for a grant of 25,279 shares of the Company's common stock that were paid in February 2022, with an amount of shares equal to the taxes payable by Mr. Russell with respect to the grant having been withheld to satisfy such taxes. The Restated Russell Agreement originally provided for certain bonuses upon a change of control of the Company (as defined in the Restated Russell Agreement), but as stated below, such change-of-control provisions were eliminated in November 2022. Pursuant to the Restated Russell Agreement, Mr. Russell was also originally entitled to receive his applicable base salary for a period of 36 months after termination if such termination were "without cause" or if he terminated his own employment for a "good reason event," as those terms are defined in the Restated Russell Agreement, in addition to any accrued bonus as of the termination date and the accelerated vesting of any unvested options. However, such severance provisions were eliminated and replaced in November 2022, as described below. The Restated Russell Agreement also contains certain non-competition covenants and confidentiality provisions.

On November 16, 2022, the Restated Russell Agreement was amended and modified (the “Russell Amendment”) by deleting provisions in the Restated Russell Agreement that granted Mr. Russell certain bonuses upon a change of control of the Company.

Further, the Russell Amendment modifies the severance provisions of the Restated Russell Agreement to provide that, upon the termination of Mr. Russell by the Company without cause (or upon termination by him of his own employment upon a “good reason event,” as defined in the Restated Russell Agreement), he will be entitled to receive, in addition to any accrued salary and bonus, the sum of two years of his salary plus the average bonus paid for the preceding three years, which sum will be paid over a period of two years, as well as reimbursements for premium payments paid or payable by Mr. Russell for continuing healthcare coverage for up to 24 months following his termination.

Ryan Duran.

On October 27, 2021, the Company and Ryan Duran entered into an employment agreement under which Mr. Duran serves as the Executive Vice President of Operations of the Company. Mr. Duran’s employment agreement provides for an annual base salary of \$175,000, and it provides that Mr. Duran may be granted annual bonuses at the discretion of the Board of Directors and may participate in the Company’s equity incentive plans on the same terms as other senior executives. The agreement provides that Mr. Duran is entitled to participate in all of the Company’s pension, life insurance, health insurance, disability insurance and other benefit plans on the same basis as the Company’s other employee officers participate. The term of Mr. Duran’s employment agreement is through September 30, 2023 and is automatically renewed each year unless notice of non-renewal is provided by the Company or Mr. Duran at least 30 days prior to the renewal date. Mr. Duran will be entitled to a lump sum severance payment of three times his base salary if he is terminated “without cause” (including a non-renewal of the agreement by the Company) or he terminates his own employment for a “good reason event,” as those terms are defined in the agreement, in addition to any accrued bonus as of the termination date and the accelerated vesting of any unvested options and other equity awards. Mr. Duran’s employment agreement contains certain non-competition covenants and confidentiality provisions.

**Option Cancellation Agreements**

On November 18, 2022, the Company entered into Stock Option Cancellation Agreements (the “Cancellation Agreements”) with Mr. Rodgers and Mr. Russell pursuant to which they surrendered and cancelled certain previously granted stock options to purchase shares of the Company’s common stock in order to make additional shares available under the Company’s 2021 Omnibus Incentive Plan for future equity grants to Company personnel. Pursuant to the terms of the Cancellation Agreements, Mr. Rodgers, Mr. Russell, and the Company acknowledged and agreed that the surrender and cancellation of the Cancelled Options was without any expectation to receive, and was without any obligation on the Company to pay or grant, any cash, equity awards or other consideration presently or in the future in regard to the cancellation of the cancelled options.

## TRANSACTIONS WITH RELATED PERSONS

### Transactions with Business Law Group

On February 1, 2022, the Company consented to the assignment by BLG to the law firm BLG Association Law, PLLC (“BLGAL”) of the Services Agreement, dated April 15, 2015, previously entered into by the Company and Business Law Group, P.A. (the “Services Agreement”). The Services Agreement had set forth the terms under which Business Law Group, P.A. would act as the primary law firm used by the Company and its association clients for the servicing and collection of association accounts. In connection with the assignment, BLGAL agreed to amend the Services Agreement on February 1, 2022, to reduce the monthly compensation payable to the law firm from \$82,000 to \$53,000 (the “Services Agreement Amendment”). Bruce M. Rodgers, the chairman and CEO of the Company, is a 50% owner of BLGAL, and the assignment and the Services Agreement Amendment was approved by the independent directors of the Company.

- reviewing and approving the compensation programs applicable to our executive officers;

- recommending to the Board of Directors and periodically reviewing policies for the administration of the executive compensation programs;
- reviewing and approving the corporate goals and objectives relevant to the compensation of the executive officers, evaluating the performance of the executive officers in light of those goals, objectives and strategies, and setting the compensation level of the executive officers based on this evaluation;
- reviewing on a periodic basis the operation of our executive compensation programs to determine whether they are properly coordinated and achieving their intended purposes;
- reviewing on a periodic basis the operation of our executive compensation programs to determine whether they are properly coordinated and achieving their intended purposes; and
- reviewing and approving compensation to outside directors.

The Compensation Committee has the authority to determine the compensation of the named executive officers, except the Chief Executive Officer. The Compensation Committee makes recommendations to the Board of Directors for non-employee directors and the Chief Executive Officer compensation and equity awards under the Company's equity plans. At least annually, the Compensation Committee considers the results of the Company's operations and its financial position and makes compensation determinations. The Compensation Committee engaged independent compensation consultant Pearl Meyer & Partners, LLC ("Pearl Meyer") in connection with the compensation paid to executive officers in 2022 but not in 2021, instead relying on the judgment and knowledge of its own members.

During 2022, Pearl Meyer reviewed employment agreement provisions contained within the employment agreements of our Chief Executive Officer, Bruce Rodgers, and our Chief Financial Officer, Richard Russell. Specific project work steps included, but were not limited to, (i) the review of the compensation paid to our named executive officers; (ii) the review and summary of market practices as they relate to employment and severance agreement provisions by industry peers; (iii) the review of employment agreement provisions as they relate to the employment agreements of our Chief Executive Officer and Chief Financial Officer, as well as recommendations based on such review to align with market and best practices; (iv) the summarization and recommendation of findings to the Compensation Committee; and (v) the revision of findings and recommendations as needed based on feedback from us.

Based on the recommendations provided by Pearl Meyer, we amended the employment agreements of our Chief Executive Officer and Chief Financial Officer as described under the section titled "Employment Agreements." Pearl Meyer did not provide any additional services to the Company.

The Compensation Committee is composed of three members: Douglas I. McCree, its chairman, Fred Mills, and Frank Silcox, each of whom have been determined to be "independent" within the meaning of the SEC and NASDAQ regulations and is a "non-employee director" as defined in Section 16b-3 of the Exchange Act. The Board of Directors has adopted a formal Compensation Committee charter. The Compensation Committee met formally seven times during 2022.

#### **NOMINATING AND GOVERNANCE COMMITTEE**

The Nominating and Governance Committee's responsibilities include the following:

- (1) establishing criteria for selection of potential directors, taking into account all factors it considers appropriate;
- (2) identifying and selecting individuals believed to be qualified as candidates to serve on the board and recommending to the board candidates to stand for election as directors at the annual meeting of shareholders or, if applicable, at a special meeting of the shareholders;
- (3) evaluating and ensuring the independence of each member of each committee of the board required to be composed of independent directors;
- (4) developing and recommending to the board a set of corporate governance principles appropriate for our Company and consistent with the applicable laws, regulations, and listing requirements;

- (5) developing and recommending to the board a code of conduct for our Company’s directors, officers, and employees;
- (6) ensuring that the Company makes all appropriate disclosures regarding the process for nominating candidates for election to the board, including any process for shareholder nominations, the criteria established by the committee for candidates for nomination for election to the board, and any other disclosures required by applicable laws, regulations, or listing standards; and
- (7) reporting regularly to the board (i) regarding meetings of the committee, (ii) with respect to such other matters as are relevant to the committee’s discharge of its responsibilities, and (iii) with respect to such recommendations as the committee may deem appropriate.

The Nominating and Governance Committee is composed of three members: Andrew Graham, its chairman, Douglas I. McCree, and Todd Zhang. The Nominating and Governance Committee had seven meetings in 2022. The Board of Directors has adopted a written Nominating and Governance Committee Charter.

A current copy of the charter is available on our website [www.lmfunding.com](http://www.lmfunding.com) by clicking “Investors” and then “Governance.”

The Nominating and Governance Committee identifies director candidates in numerous ways. Generally, the candidates are known to and recommended by members of the Board of Directors or management. In evaluating director candidates, the Nominating and Governance Committee considers a variety of attributes, criteria and factors, including experience, skills, expertise, diversity, personal and professional integrity, character, temperament, business judgment, time availability, dedication and conflicts of interest. At a minimum, director candidates must be at least 18 years of age and have such business, financial, technological or legal experience or education to enable them to make informed decisions on behalf of the Company. The Nominating and Governance Committee has not adopted a specific policy on diversity.

The Nominating and Governance Committee will consider director candidates recommended by shareholders. Any shareholder wishing to recommend one or more director candidates should send the recommendations before November 1st of the year preceding the next annual meeting of shareholders to LM Funding America, Inc., **Attention: Bruce M. Rodgers, Chief Executive Officer, 1200 West Platt Street, Suite 100, Tampa, Florida 33606**. Each recommendation should set forth the candidate’s name, age, business address, business telephone number, residence address, and principal occupation or employment and any other attributes or factors the shareholder wishes the committee to consider, as well as the shareholder’s name, address and telephone number and the class and number of shares held. The committee may require the recommended candidate to furnish additional information. Mr. Rodgers will forward recommendations of qualified candidates to the nominating and governance committee and those candidates will be given the same consideration as all other candidates. A shareholder wishing to nominate an individual for election to the Board of Directors at an annual meeting of the shareholders, rather than recommend a candidate to the nominating and governance committee, must comply with the advance notice requirements set forth in our bylaws.

A stockholder wishing to nominate an individual for election to the Board of Directors at the Annual Meeting of the Stockholders, rather than recommend a candidate to the nominating and governance committee, must comply with the advance notice requirements set forth in our bylaws. See “Shareholder Proposals for Presentation at the Annual Meeting” for further information.

#### **Board of Directors Leadership Structure**

Our business and affairs are managed under the direction of the Board of Directors. Under our current leadership structure, Bruce M. Rodgers serves as Chairman of the Board of Directors, Chief Executive Officer, and President. Mr. Rodgers’ role includes providing continuous feedback on the direction and performance of the Company, serving as chairman of regular meetings of the Board of Directors, setting the agenda for the meetings of the Board of Directors and leading the Board of Directors in anticipating and responding to changes in our business. Mr. Rodgers plays a significant role also in formulating and executing the Company’s strategic plans, financing activity and investment decisions. We believe board oversight and planning is a collaborative effort among the directors, each of whom has unique skills, experience and education, and this structure facilitates collaboration and communication among the directors and management and makes the best use of their respective skills. The Board of Directors periodically reviews the board leadership structure to evaluate whether the structure remains appropriate for the Company and may determine to alter this leadership structure anytime based on then existing circumstances.

The audit committee reviewed with representatives of MaloneBailey, LLP, the Company's independent registered public accounting firm responsible for auditing the Company's financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the Company's accounting principles. ### **PROPOSAL 2**

#### **RATIFICATION OF MALONEBAILEY, LLP**

The audit committee of the Board of Directors has appointed MaloneBailey, LLP ("Malone Bailey") as the Company's independent registered public accounting firm for our fiscal year ending December 31, 2023. Malone Bailey also served as the Company's independent registered public accounting firm for our fiscal year ended December 31, 2022. The Board of Directors concurs with the appointment and is submitting the appointment of Malone Bailey as our independent registered public accounting firm for stockholder ratification at the Annual Meeting.

Our bylaws do not require that the stockholders ratify the appointment of Malone Bailey as our independent registered public accounting firm. We are seeking ratification because we believe it is a sound corporate governance practice. If the stockholders do not ratify the appointment, our audit committee will reconsider whether to retain Malone Bailey, but may retain Malone Bailey in any event. Even if the appointment is ratified, the audit committee, in its discretion, may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its stockholders.

We expect that representatives of Malone Bailey will be either physically present or available via phone at the Annual Meeting. They will be given the opportunity to make a statement if they desire to do so, and they will be available to respond to appropriate questions after the meeting.

#### **RECOMMENDATION OF THE BOARD**

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF MALONEBAILEY, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE CURRENT YEAR.**

**ITEM 2 ON YOUR PROXY CARD.**

**PROPOSAL 3**  
**APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION**  
**TO EFFECT A REVERSE STOCK SPLIT**

**General**

Our Board has unanimously approved an amendment to our certificate of incorporation, as amended, to effect a reverse stock split of all outstanding shares of our common stock at an exchange ratio ranging from one-for-two (1:2) to one-for-ten (1:10). You are now being asked to vote upon this amendment to our certificate of incorporation, as amended. Should we receive the required stockholder approval, the Board will have the sole authority to elect, at any time prior to November 9, 2024, (1) whether or not to effect a reverse stock split, and (2) if so, the number of whole shares of our common stock, between and including two to ten, which will be combined into one share of our common stock. The Board believes that providing the flexibility for the Board to choose an exact split ratio based on then-current market conditions is in the best interests of the Company and its stockholders. Even with stockholder approval of this proposal, the Board would not be obligated to pursue the reverse stock split. Rather, directors would have the flexibility to decide whether or not a reverse stock split (and at what ratio) would be in the best interests of the Company and its stockholders.

If approved by the stockholders and following such approval the Board determines that affecting a reverse stock split is in our best interests and those of our stockholders, the reverse stock split will become effective upon filing an amendment to our amended and restated certificate of incorporation with the Secretary of State of the State of Delaware. The amendment filed thereby will contain the number of shares approved by the stockholders and selected by the Board within the limits set forth in this Proposal to be combined into one share of our common stock.

Although we presently intend to effect the reverse stock split only if necessary to regain compliance with The Nasdaq Capital Market's minimum bid requirement, the Board has reserved the right to effect the reverse stock split if the Board has determined in its sole discretion that such reverse stock split would be advisable and in the best interests of the Company and, additionally, notwithstanding the stockholders' approval of the proposed amendment of our certificate of incorporation, as amended, at the Annual Meeting, to abandon it at any time without further action by the stockholders. The Board may consider a variety of factors in determining whether or not to proceed with the proposed amendment of certificate of incorporation, as amended, including overall trends in the stock market, recent changes and anticipated trends in the per-share market price of our common stock, business developments, and our actual and projected financial performance. If the closing bid price of our common stock on The Nasdaq Capital Market reaches a minimum of \$1.00 per share and remains at or above that level for a minimum of ten consecutive trading days (or longer, if required by the Nasdaq Listing Qualifications Panel), as discussed more fully below, the Board may decide to abandon the filing of the proposed amendment to our amended and restated certificate of incorporation. If the Board fails to implement a reverse stock split prior to November 9, 2024, stockholder approval again would be required prior to implementing any reverse stock split.

**Reasons for the Reverse Stock Split**

Our primary objective in effectuating the reverse stock split would be to attempt to raise the per-share trading price of our common stock in an effort to continue our listing on The Nasdaq Capital Market ("Nasdaq"). To maintain listing, Nasdaq requires, among other things, that our common stock maintain a minimum bid of \$1.00 per share pursuant to Rule 5550(a)(2).

On April 14, 2023, we received a notice from the Listing Qualifications Staff of Nasdaq that our common stock had failed to maintain Nasdaq's minimum closing bid price requirement of \$1.00 per share. Pursuant to Nasdaq Marketplace Rule 5810(c)(3)(A), we were provided with an initial compliance period of 180 days, or until October 11, 2023, to regain compliance with the minimum bid price requirement. To regain compliance, the closing bid price of our common stock needs to meet or exceed \$1.00 per share for a minimum of 10 consecutive business days prior to October 11, 2023.

If we do not regain compliance by October 11, 2023, we may be eligible for an additional grace period. To qualify, we would be required to meet the continued listing requirements for market value of publicly held shares and all other initial listing standards for Nasdaq, with the exception of the minimum bid price requirement, and provide written notice of our intention to cure the minimum bid price deficiency during the second compliance period. If we meet these requirements, the Nasdaq staff would be expected to grant an additional 180 calendar days for us to regain compliance with the minimum bid price requirement. If the Nasdaq staff determines that we will not be able to cure the deficiency, or if we are otherwise not eligible for such additional compliance period, Nasdaq will provide notice that our common stock will be subject to delisting. We would have the right to appeal a determination to delist our common stock, and our common stock would remain listed on Nasdaq until the completion of the appeal process.

The Board is seeking approval for the authority to effectuate the reverse stock split as a means of increasing the share price of our common stock at or above \$1.00 per share in order to avoid further action by Nasdaq. We expect that the reverse stock split will increase the bid price per share of our common stock above the \$1.00 per share minimum price, thereby satisfying this listing requirement. However, there can be no assurance that the reverse stock split will have that effect, initially or in the future, or that it will enable us to maintain the listing of our common stock on Nasdaq.

In addition, we believe that the low per-share market price of our common stock impairs its marketability to and acceptance by institutional investors and other members of the investing public and creates a negative impression of the Company. Theoretically, decreasing the number of shares of common stock outstanding should not, by itself, affect the marketability of the shares, the type of investor who would be interested in acquiring them, or our reputation in the financial community. In practice, however, many investors, brokerage firms and market makers consider low-priced stocks as unduly speculative in nature and, as a matter of policy, avoid investment and trading in such stocks. Moreover, the analysts at many brokerage firms do not monitor the trading activity or otherwise provide coverage of lower-priced stocks. The presence of these factors may be adversely affecting, and may continue to adversely affect, not only the pricing of our common stock but also its trading liquidity. In addition, these factors may affect our ability to raise additional capital through the sale of our stock.

We further believe that a higher stock price could help us attract and retain employees and other service providers. We believe that some potential employees and service providers are less likely to work for a company with a low stock price, regardless of the size of the company's market capitalization. If the reverse stock split successfully increases the per-share price of our common stock, we believe this increase will enhance our ability to attract and retain employees and service providers.

We hope that the decrease in the number of shares of our outstanding common stock as a consequence of the reverse stock split, and the anticipated increase in the price per share, will encourage greater interest in our common stock by the financial community and the investing public, help us attract and retain employees and other service providers, and possibly promote greater liquidity for our stockholders with respect to those shares presently held by them. However, the possibility also exists that liquidity may be adversely affected by the reduced number of shares which would be outstanding if the reverse stock split is effected, particularly if the price per share of our common stock begins to decline after the reverse stock split is effected.

There can be no assurance that the reverse stock split will achieve any of the desired results. There also can be no assurance that the price per share of our common stock immediately after the reverse stock split will increase proportionately with the reverse stock split, or that any increase will be sustained for any period of time.

If stockholders do not approve this Proposal and our stock price does not otherwise increase to greater than \$1.00 per share for at least ten consecutive trading days before April 8, 2024, we expect our common stock to be subject to a delisting action by The Nasdaq Capital Market. Although we may appeal Nasdaq's determination to a hearings panel in order to present a plan to regain compliance, we believe the reverse stock split is the most likely way to assist the stock price in reaching the minimum bid level required by The Nasdaq Capital Market, although effecting the reverse stock split cannot guarantee that we will be in compliance with the minimum bid requirement for even for the minimum ten-day trading period required by The Nasdaq Capital Market. Furthermore, the reverse stock split cannot guarantee we will be in compliance with the market capitalization, net worth or stockholders' equity criteria required to maintain our Nasdaq Capital Market listing.

If our common stock were delisted from Nasdaq, trading of our common stock would thereafter be conducted on the OTC Bulletin Board or the "pink sheets". As a result, a stockholder may find it more difficult to dispose of, or to obtain accurate quotations as to the price of, our common stock. To relist shares of our common stock on Nasdaq, we would be required to meet the initial listing requirements for either The Nasdaq Capital Market or The Nasdaq Global Market, which are more stringent than the maintenance requirements.

If our common stock were delisted from Nasdaq and the price of our common stock were below \$5.00 at such time, such stock would come within the definition of "penny stock" as defined in the Exchange Act and would be covered by Rule 15c-9 of the Exchange Act. That rule imposes additional sales practice requirements on broker-dealers who sell such securities to persons other than established customers and accredited investors (generally institutions with assets in excess of \$5 million or individuals with net worth in excess of \$1 million or annual income exceeding \$200,000 or \$300,000 jointly with their spouse). For transactions covered by Rule 15c-9, the broker-dealer must make a special suitability determination for the purchaser and receive the purchaser's written agreement to the transaction prior to the sale. These additional sales practice restrictions will make trading in our common stock more difficult and the market less efficient.

We are not aware of any present efforts by anyone to accumulate our common stock, and the proposed reverse stock split is not intended to be an anti-takeover device.

#### **The Reverse Stock Split May Not Result in an Increase in the Per-Share Price of Our Common Stock; There Are Other Risks Associated with the Reverse Stock Split**

We cannot predict whether the reverse stock split will increase the market price for our common stock. The history of similar stock split combinations for companies in like circumstances is varied. There is no assurance that:

- the market price per share will either exceed or remain in excess of the \$1.00 minimum bid price as required by The Nasdaq Capital Market;
- we will otherwise meet the requirements for continued inclusion for trading on The Nasdaq Capital Market;
- the market price per share of our common stock after the reverse stock split will rise in proportion to the reduction in the number of shares outstanding before the reverse stock split;
- the reverse stock split will result in a per-share price that will attract brokers and investors who do not trade in lower priced stocks; or
- the reverse stock split will result in a per-share price that will increase our ability to attract and retain employees and other service providers.

The market price of our common stock will also be based on our performance and other factors, some of which are unrelated to the number of shares outstanding. If the reverse stock split is effected and the market price of our common stock declines, the percentage decline as an absolute number and as a percentage of our overall market capitalization may be greater than would occur in the absence of a reverse stock split.

#### **Principal Effects of Reverse Stock Split on Market for Common Stock**

On September 21, 2023, the closing bid price for our common stock on The Nasdaq Capital Market was \$0.5240 per share. By decreasing the number of shares of common stock outstanding without altering the aggregate economic interest represented by the shares, we believe the market price will be increased. The greater the market price rises above \$1.00 per share, the less risk there will be that we will fail to meet the requirements for maintaining the listing of our common stock on The Nasdaq Capital Market. However, there can be no assurance that the market price of the common stock will rise to or maintain any particular level or that we will at all times be able to meet the requirements for maintaining the listing of our common stock on The Nasdaq Capital Market.

#### **Principal Effects of Reverse Stock Split on Common Stock; No Fractional Shares**

If stockholders approve granting the Board the authority to exercise its discretion to amend certificate of incorporation, as amended, to effect a reverse stock split, and if the Board decides to effectuate such amendment and reverse stock split, the principal effect of the reverse stock split will be (i) to reduce the number of issued and outstanding shares of our common stock, in accordance and within the range of exchange ratios approved by the stockholders and selected by the Board in accordance with this Proposal, from approximately 14,651,883 shares to between and including approximately 7,325,942 and 1,465,189 shares, depending on which reverse stock ratio is determined by the Board and based upon the number of shares outstanding at the time such reverse stock split is effectuated. The total number of shares of common stock each stockholder holds will be reclassified automatically into the number of shares of common stock equal to the number of shares of common stock each stockholder held immediately before the reverse stock split divided by the exchange ratio approved by the stockholders and determined by the Board as set forth in this Proposal.

The reverse stock split will affect all of our stockholders uniformly and will not affect any stockholder's percentage ownership interests, except to the extent that the reverse stock split results in any stockholders owning a fractional share. Stockholders holding fractional shares because the number of shares of common stock they hold before the reverse stock split is not evenly divisible by the split ratio ultimately selected by the Board will be issued one whole share in exchange for any fractional share interest that such stockholder would have received as a result of the reverse stock split. If the reverse stock split is effectuated, the par value of our common stock and preferred stock will remain unchanged at \$0.001 per share and we will continue to be subject to the periodic reporting requirements of the Exchange Act.

Upon effectiveness of the reverse stock split, the number of authorized shares of common stock that are not issued or outstanding will increase substantially because the proposed amendment will not reduce the number of authorized shares while it will reduce the number of outstanding shares by a factor of between and including two and ten, depending on the exchange ratio selected by the Board. In other words, if stockholders approve this Proposal and our Board effectuates the reverse stock split, the number of authorized but unissued shares of common stock would increase from approximately 335,348,117 shares to between and including approximately 342,674,059 and 348,534,812 shares. If stockholders approve this Proposal, the Company will continue to have 150,000,000 authorized but unissued shares of preferred stock. Authorized but unissued shares will be available for issuance, and we may issue such shares in financings or otherwise. If we issue additional shares, the ownership interest of holders of our common stock may also be diluted. Also, the issued shares may have rights, preferences or privileges senior to those of our common stock.

#### **Effect on Options, Warrants and Shares Reserved for Issuance Under Incentive Plan**

All outstanding options and warrants to purchase shares of our common stock would be adjusted proportionately as a result of the reverse stock split. In addition, the number of shares available pursuant to the 2015 Plan would be adjusted proportionately as a result of the reverse stock split.

#### **Principal Effects of Reverse Stock Split on Legal Ability to Pay Dividends**

The Board has not in the past declared, nor does it have any plans to declare in the foreseeable future, any distributions of cash, dividends or other property, and we are not in arrears on any dividends. Therefore, we do not believe that the reverse stock split will have any effect with respect to future distributions, if any, to our holders of common stock.

#### **Accounting Matters**

The reverse stock split will not affect the par value of our common stock. As a result, on the effective date of the reverse stock split, the stated capital on our balance sheet attributable to our common stock will be reduced by a factor of between and including two and ten. In other words, stated capital will be reduced to between and including one-half and one-tenth of its present amount, and the additional paid-in capital account will be credited with the amount by which the stated capital is reduced. The per-share net income or loss and net book value of our common stock will be increased because there will be fewer shares of common stock outstanding.

#### **Potential Anti-Takeover Effect**

The increased proportion of unissued authorized shares to issued shares could, under certain circumstances, have an anti-takeover effect (for example, by permitting issuances that would dilute the stock ownership of a person seeking to effect a change in the composition of our Board or contemplating a tender offer or other transaction for the combination of the Company with another company). However, this Proposal is not being proposed to facilitate implementing a poison pill in response to any effort of which we are aware to accumulate shares of our common stock or obtain control of the Company, nor is it part of a plan by management to recommend a series of similar amendments to our Board and stockholders.

#### **Exchange of Stock Certificates**

If the reverse stock split is authorized by the stockholders, and the Board elects to implement the reverse split, stockholders will be notified as soon as practicable after the effective date that the reverse split has been effected. The Company's transfer agent will act as "exchange agent" for purposes of implementing the exchange of stock certificates. Holders of pre-reverse split shares will be asked to surrender to the exchange agent certificates representing pre-reverse split shares in exchange for post-reverse split shares, including whole shares to be issued in lieu of fractional shares (if any) in accordance with the procedures to be set forth in a letter of transmittal to be sent by the Company. Until surrender, each certificate representing shares before the reverse stock split would continue to be valid and would represent the adjusted number of shares based on the exchange ratio of the reverse stock split rounded up to the nearest whole share. No new post-reverse split share certificates, including those representing whole shares to be issued in lieu of fractional shares will be issued to a stockholder until such stockholder has surrendered such stockholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent.

Even if the stockholders approve the reverse stock split, the Board reserves the right to not effect the reverse stock split if in the Board's opinion it would not be in our best interests or those of our stockholders to effect such reverse stock split.

## **No Dissenters' Rights**

Under the Delaware General Corporation Law, stockholders are not entitled to dissenter's rights with respect to the reverse stock split, and the Company will not independently provide stockholders with any such right.

## **Material Federal Income Tax Consequences of the Reverse Stock Split**

The following is a summary of the material federal income tax consequences of the reverse stock split to holders of our common stock and to the Company. This discussion is based on the Internal Revenue Code of 1986, as amended (the "Code"), existing, proposed and temporary Treasury Regulations promulgated thereunder, Internal Revenue Service ("IRS") rulings, administrative pronouncements and judicial decisions in effect as of the date of this proxy statement, all of which are subject to change (possibly with retroactive effect) or to different interpretations. The summary does not address all aspects of federal income taxation that may apply to a stockholder as a result of the reverse stock split and is included for general information only. In addition, the summary does not address any state, local or non-U.S. income or other tax consequences of the reverse stock split.

The summary does not address tax consequences to stockholders that are subject to special tax rules, including, without limitation, banks, insurance companies, regulated investment companies, personal holding companies, non-U.S. entities, nonresident alien individuals, broker-dealers, S corporations, entities treated as partnerships or partners of such partnerships, persons who acquired our common stock pursuant to the exercise of compensatory stock options or the vesting of restricted shares of common stock, estates, trusts and tax-exempt entities. The summary further assumes that stockholders have held our common stock subject to the reverse stock split as a capital asset within the meaning of Section 1221 of the Code, and will continue to hold such common stock as a capital asset following the reverse stock split. No ruling from the IRS or opinion of counsel will be obtained regarding the federal income tax consequences to stockholders as a result of the reverse stock split.

THE FOLLOWING DISCUSSION IS BASED ON CURRENT LAW AND IS NOT INTENDED TO CONSTITUTE A COMPLETE DESCRIPTION OF ALL U.S. FEDERAL INCOME TAX CONSEQUENCES RELATING TO THE REVERSE STOCK SPLIT. STOCKHOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS AS TO THE FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT IN LIGHT OF THEIR INDIVIDUAL CIRCUMSTANCES. THIS DISCUSSION IS FOR GENERAL INFORMATION ONLY AND DOES NOT CONSTITUTE TAX ADVICE.

We believe that the reverse stock split, if implemented, would be a tax-free recapitalization under the Code. If the reverse stock split qualifies as a recapitalization under the Code, then, generally, for United States federal income tax purposes, no gain or loss will be recognized by the Company in connection with the reverse stock split, and no gain or loss will be recognized by stockholders that exchange their shares of pre-split common stock for shares of post-split common stock. The post-split common stock in the hands of a stockholder following the reverse stock split will have an aggregate tax basis equal to the aggregate tax basis of the pre-split common stock held by that stockholder immediately prior to the reverse stock split. Similarly, a stockholder's holding period for the post-split common stock will be the same as the holding period for the pre-split common stock exchanged therefor.

Alternative characterizations of the reverse stock split are possible. For example, while the reverse stock split, if implemented, would generally be treated as a tax-free recapitalization under the Code, stockholders whose fractional shares resulting from the reverse stock split are rounded up to the nearest whole share may recognize gain for federal income tax purposes equal to the value of the additional fractional share. However, we believe that, in such case, the resulting tax liability may not be material in view of the low value of such fractional interest. Stockholders should consult their own tax advisors regarding alternative characterizations of the reverse stock split for federal income tax purposes.

THE COMPANY'S VIEW REGARDING THE TAX CONSEQUENCE OF THE REVERSE STOCK SPLIT IS NOT BINDING ON THE IRS OR THE COURTS. ACCORDINGLY, EACH STOCKHOLDER SHOULD CONSULT WITH HIS OR HER OWN TAX ADVISORS REGARDING ALL OF THE POTENTIAL TAX CONSEQUENCES TO HIM OR HER OF THE REVERSE STOCK SPLIT.

## **RECOMMENDATION OF THE BOARD**

**THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION EFFECTING THE REVERSE STOCK SPLIT AND ACCORDINGLY “FOR” THE REVERSE STOCK SPLIT.**

The following table sets forth information regarding the beneficial ownership of our common stock as of September 15, 2023 by:

- each person who is known by us to beneficially own more than 5% of our outstanding common stock,
- each of our directors and named executive officers, and

The number and percentage of shares beneficially owned are based on 14,651,883 common shares outstanding as of September 15, 2023. Information with respect to beneficial ownership has been furnished by each director, officer or beneficial owner of more than 5% of our common stock. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission, which generally require that the individual have voting or investment power with respect to the shares. In computing the number of shares beneficially owned by an individual listed below and the percentage ownership of that individual, shares underlying options, warrants and convertible securities held by each individual that are exercisable or convertible within 60 days of September 15, 2023, are deemed owned and outstanding, but are not deemed outstanding for computing the percentage ownership of any other individual. Except as otherwise indicated in the footnotes to this table, or as required by applicable community property laws, all individuals listed have sole voting and investment power for all shares shown as beneficially owned by them. Unless otherwise indicated in the footnotes, the address for each principal shareholder is LM Funding America, Inc., 1200 West Platt Street, Suite 100, Tampa, Florida 33606.
